RYAN FALLORE

Capoocan, Leyte, Philippines 6530 | 09109752961 | falloreryan649@gmail.com

PROFESSIONAL SUMMARY

Computer Science student building web and mobile apps with Python, Django, Flutter, and Firebase. Known for customer service, teamwork, problem-solving, and adaptable communication.

TECHNICAL SKILLS

- **Programming Languages:** Java, PHP, Python, JavaScript
- **Web Development:** Node.js, Django, Flutter, HTML, Tailwind CSS, Bootstrap
- **Tools & Technologies:** Git, GitHub, VS Code, MySQL, Firebase, SQLite
- **Networking & IT:** OSI Model, IPv4/IPv6, TCP/IP, Subnetting, Cisco Packet Tracer, Traceroute, Wireshark, Troubleshooting

PROJECTS

FinGo – Fish-Focused E-Commerce Marketplace

Technologies: Python, Django, Tailwind CSS, PostgreSQL

- Developed an e-commerce platform that connects fishermen and fish vendors with customers for online purchasing of fresh aquatic products.
- Implemented product management, shopping cart, favorites, order management, and user profile features.
- Integrated customer notifications and door-to-door delivery functionality to improve the online shopping experience.
- Designed a user-friendly interface to simplify product browsing and online transactions.

Loan Tracker – Loan Management Application

Technologies: Dart, Flutter, Firebase

- Developed a mobile application for managing and monitoring loan records and applications.
- Implemented a user-friendly interface to organize and track loan information.
- Used Firebase for data storage and application data management.
- Applied Flutter and Dart to build a cross-platform mobile application.

Task Scheduler – Task Management Web Application

Technologies: Python, Django, Bootstrap, SQLite

- Developed a web-based task scheduling application to help users organize and manage daily activities.
- Implemented CRUD (Create, Read, Update, Delete) functionality for managing tasks.
- Designed a user-friendly interface using Bootstrap for efficient task organization.
- Utilized Django and SQLite to handle application logic and store task information.

EDUCATION

Bachelor of Science in Computer Science

Biliran Province State University – Naval, Biliran
Expected Graduation: 03/2027

INTERESTS

- Web Development
- Networking
- Building Websites
